

Obuma-fucked

*I love me, I love me not . . .
Nope, I really, really love me!*

I WANT YOU

Pastor Fred Phelps on the Beast Obuma

The bombastic, big-mouth Obuma has announced to the whole world that he will be the world's fiercest advocate for the filthy, feces-eating fags. He brags about how he will use the bully pulpit of the White House – the single greatest bully pulpit in the earth – to preach the virtues of the abomination of desolation. By Obuma's advocacy, the prophecy of Daniel – reiterated and expanded on by Jesus Christ himself – will be fulfilled, to wit:

Daniel 11:31

And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.

Matthew 24:15

When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:).

Mark 13:14

But when ye shall see the abomination of desolation, spoken of by Daniel the prophet, standing where it ought not, (let him that readeth understand,) then let them that be in Judaea flee to the mountains:

As Commander in Chief, Antichrist Obuma will not simply lift the “don't ask, don't tell” ban (the myth that it is), he will quickly fill all ranks of all military branches with ravenous fags – arming them to the teeth! Fags will be his malicious minions when the time comes to exercise all his world power to come up against the Saints and vainly try to break their bands asunder and cast away their cords from this wicked, doomed world (see Psalm 2 for more words on that folly).

When you see this filth-monger dancing with the super-dyke Ellen Degenerate, you see him snuggling up to his most precious of all support bases. It must be this way, my Bible-illiterate inquisitor. Obuma will be the chief fag enabler in this Doomed America ... as he follows the lead of the ancient tribe of Benjamin – who put all their military might behind the cause of violent, freakish fags. Check into that drama and see how it worked out for those fag enablers at Judges chapter 19 and 20. Here's a hint: All of the fag enabling bastards were slaughtered – except a tiny remnant that went and hid in the mountains.

So likewise will the Beast Obuma bring all of the fag-warriors he's collected together and come up against the people of God. Read how that goes for them – since it will shortly come to pass:

Revelation 19:17

And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;

18 That ye may eat the flesh of [fag] kings, and the flesh of [fag] captains, and the flesh of [fag] mighty men, and the flesh of horses, and of them [fags] that sit on them, and the flesh of all [fag] men, both free and bond, both small and great [like the fags that surrounded Lot's house in old Sodom in Genesis chapter 19].

19 And I saw the beast [Obuma], and the [fag] kings of the earth, and their [fag] armies, gathered together to make war against him that sat on the horse, and against his army.

20 And the beast [Obuma] was taken, and with him the false prophet [Pedophile Enabler Pope] that wrought miracles before him, with which he deceived them that had received the mark of the beast [Obuma], and them that worshipped his [Obuma's] image. These both were cast alive into a lake of fire burning with brimstone.

21 And the remnant [of fags] were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their [fag] flesh.

TO STOP BEING A FAGGOT

Widespread sexual immorality in a nation reflects how close to collapse it is - as was Rome.

On 24 May 2010, The Wayne Madsen Report (WMR) had a blockbuster report for subscribers only, which claims that Obama is a long-time member of a gay man's "grand old bathhouse" in Chicago, of which his Chief of Staff Rahm Emanuel is also a member. Also referenced are Resse.com "Madsen Is Vindicating Larry Sinclair" and Brother Nathaniel Kapner's Real Jew News.

Lord of the Flies **Barack Hussein Obama** aka Barack Obama aka Barry Obama aka Steven Dunham aka Barry Soetoro son of Barack Obama Sr. (son of Hussein Onyango Obama and Habiba Akumu Obama aka Akumu Nyanjoga, who was imprisoned by the British for helping the Mau Mau rebels in Kenya, and Sje) and Stanley Ann Dunham Soetoro (daughter of Stanley Armour Dunham, who - at age 8 - discovered his mother's body after she had committed suicide, and Madelyn Lee Payne Dunham, stern Methodist parents who did not believe in drinking, playing cards, or dancing) is now the first **American President*** ever to "come out" in favor of "same-sex" marriage. In an interview last week with ABC, Obama broke with the traditional view of marriage between a man and a woman by "affirming" that marital unions between those of the same-sex should be allowed. President Obama speaking exclusively to ABC's Robin Roberts announced something no US president has ever said... *that he supports same-sex marriage:*

"I've always been adamant that gay and lesbian Americans should be treated fairly and equally. And I was sensitive to the fact that for a lot of people the word marriage was something that

evokes very powerful traditions, religions beliefs, and so forth. But I have to tell you that at a certain point I've just concluded that it is important for me to go ahead and affirm that I think same-sex couples should be able to get married."

Just who the hell does this fucking goof think he is? redefining 5000 years of history because he feels like it!!!

Now, some are saying that Obama's support of gay marriage is due to his own homosexual leanings: Obama is a long-time member of **Man's Country's** - *a gay man's club in Chicago*,[†] catering to older White men, has been in business for some 30 years and is known as *one of uptown Chicago's "grand old bathhouses"* - of which Obama's Chief of Staff ☆ **Rahm Emanuel** is also a lifetime member: (*In Chicago's gay community, Emanuel aka "sugar daddy," promises young men with perks and lucrative positions if they sleep with him; on occasion, he has been with older men, such as his travel companion, but his preference is for the younger homos*). Obama was attracted to Man's Country's **older white clientele** because he generally *enjoys being felled by older white men*. Obama would regularly be seen at Man's Country on Wednesdays, but no solid evidence for this has ever been produced - for instance, in honor of "Gay Pride Month" in June of 2009, Obama invited Gay leaders to the White House to whom he declared: "I will be your champion who will fight both with you and for you." But this, including Obama's intimate *embrace of one of the homosexual leaders* is uncertain proof that Obama is "gay" himself. Yes, at the meeting, Obama did confirm that *he asked Congress to repeal the long-standing Defense of Marriage Act*, which traditionally defines how local, state, and federal bodies are to recognize partnerships and determine benefits... yet, this still proves nothing. But, there is credible evidence attesting to Obama's "same-sex" past from a very persuasive witness - **Larry Sinclair**[‡] - who's been very public about it, *too*. *The Chicago gay community is aware that Obama often made contacts with younger men: Obama first met Emanuel and a young Democratic campaign*

* Here is a list of Obama's impressive accomplishments: **1)** First President to be photographed smoking a joint; **2)** First President to apply for college aid as a foreign student then denies he was a foreigner; **3)** First President to have a Social Security number from a state he has never lived in; **4)** First President to preside over a cut to the credit rating of the United States; **5)** First President to violate the War Powers Act; **6)** First President to be held in contempt of court for illegally obstructing oil drilling in the Gulf of Mexico; **7)** First President to require all Americans to purchase a product from a third party; **8)** First President to spend a trillion dollars on "shovel-ready" jobs when there was no such thing as "shovel-ready" jobs; **9)** First President to abrogate bankruptcy law to turn over control of companies to his union supporters; **10)** First President to by-pass Congress and implement the Dream Act through executive fiat; **11)** First President to order a secret amnesty program that stopped the deportation of illegal immigrants across the U.S., including those with criminal convictions; **12)** First President to demand a company hand-over \$20 billion to one of his political appointees; **13)** First President to tell a CEO of a major corporation (Chrysler) to resign; **14)** First President to terminate America's ability to put a man in space; **15)** First President to cancel the National Day of Prayer and to say that America is no longer a Christian nation; **16)** First President to have a law signed by an auto pen without being present; **17)** First President to arbitrarily declare an existing law unconstitutional and refuse to enforce it; **18)** First President to threaten insurance companies if they publicly spoke out on the reasons for their rate increases; **19)** First President to tell a major manufacturing company in which state it is allowed to locate a factory; **20)** First President to file lawsuits against the states he swore an oath to protect (AZ, WI, OH, IN); **21)** First President to withdraw an existing coal permit that had been properly issued years ago; **22)** First President to actively try to bankrupt an American industry (coal); **23)** First President to fire an Inspector General of AmeriCorps for catching one of his friends in a corruption case; **24)** First President to appoint 45 czars to replace elected officials in his office; **25)** First President to surround himself with radical left wing anarchists; **26)** First President to golf more than 250 separate times in his seven years in office; **27)** First President to hide his birth, medical, educational and travel records; **28)** First President to win a Nobel Peace Prize for doing NOTHING to earn it; **29)** First President to go on multiple "global apology tours" and concurrent "insult our friends" tours; **30)** First President to go on over 35 lavish vacations, in addition to date nights and Wednesday evening White House parties for his friends paid for by the taxpayers; **31)** First President to have personal servants (taxpayer funded) for his wife; **32)** First President to keep a dog trainer on retainer for \$102,000 a year at taxpayer expense; **33)** First President to fly in a personal trainer from Chicago at least once a week at taxpayer expense; **34)** First President to repeat the Qu'ran and tell us the early morning call of the Azan (Islamic call to worship) is the most beautiful sound on earth; **35)** First President to side with a foreign nation over one of the American 50 states (Mexico vs. Arizona); **36)** First President to tell the military men and women that they should pay for their own private insurance because they "volunteered to go to war and knew the consequences"; **37)** Then he was the First President to tell the members of the military that they were UNPATRIOTIC for balking at the last suggestion; and, **38)** First President to make a Deal with Iran to give Nukes to them while Iran Chant "Death to America"!

[†] The man's bath house club in Chicago - located at 5015 N. Clark St., Chicago, IL 60640 (phone: 773-878-2069) - describes itself as: "a private membership club for men 18 years and older. The Chicago club - **Man's Country Chicago** - is a clean, safe place to hang out, meet guys who share the same interests as you, socialize, make friends, watch porn and play! Man's Country Chicago where real men meet." The club's motto "**Play hard, Play safe**" and logo leave little doubt that it is a gay club - offering steam rooms, "fantasy rooms," bed rooms, male strippers, adult movies, and lockers. The club provides one-year and "lifetime" memberships to paying customers and it's computerized files and pre-computer paper files, anonymized as much as possible for confidentiality purposes, include membership information for both Obama and Emanuel. However, the **US Secret Service** has purged the computer and filing cabinet files of the membership data on Obama and Emanuel.

Obama began frequenting Man's Country in the mid-1990s, during the time he transitioned from a lecturer at the University of Chicago Law School to his election as an Illinois State Senator in 1996. Emanuel, reportedly joined Man's Country after he left the **Clinton White House** and moved back to Chicago in 1998, joining the investment firm of **Wasserstein Perella** and maintaining his membership during his 2002 campaign for the US 5th District House seat vacated by **Rod Blagojevich**, who was elected governor.

[‡] Shortly after addressing the **National Press Club** in Washington (DC) in 2008, Sinclair revealed that Senior Advisor **David Axelrod** spearheaded a vindictive smear campaign against him, while Vice President **Joe Biden** and his son Beau arranged for his arrest after the NPC speech. The most shocking claim in his 2009 book was the accusation by Sinclair that Obama and **Rev. Jeremiah Wright** were involved in the murder of Obama's former lover, choirmaster **Donald Young**.

Lawrence W. Sinclair died near his home in a purported **hit-and-run car accident**, on Sunday 11 November 2011, in Tennessee. Police say the other driver got away and there was no sign of the other driver or his car.

worker named **Alexi Giannoulis**, vice president and senior loan officer for his father's bank, **Broadway Bank**, from 2002 to 2006.[§]

In his book, **Obama & Sinclair – Cocaine, Sex, Lies & Murder**, Sinclair describes how in November of 1999 in Chicago he personally engaged in sexual activity with Obama in the back of a limousine, and later, in his hotel room. Notably, on 18 June 2008, before a large crowd at the **National Press Club in Washington (DC)**, Sinclair disclosed in a very believable testimony significant details of the homosexual liaison that took place between himself and Obama in 1999:

"In regards to the Obama incident, I flew out of Colorado Springs (CO) to Chicago (MI) on November 2nd, arriving at O'Hare Airport early in the morning of November 3rd. I made reservation to the Comfort Inn & Suites in Gurney (IL) based solely on the location to the training center. On November 5th, I hired the services of Five Star Limousine. On November 6th, I asked the limo driver whose name I now reveal for the first time as **Jahir Paramjit Multani**, if he knew anyone who would like to socialize and show me Chicago. Mr. Multani said he knew someone who is a friend of his. On November 6th, after picking me up at the hotel in Gurney, Mr. Multani used his cell phone to make a call: That call was made to then **Illinois State Senator Barack Obama** to set up an introduction between myself and Senator Obama. Upon arriving at the bar and exiting the limo Senator Obama was standing next to Mr. Multani and I was introduced to Senator Obama by name. Later that evening, I mentioned that I could use a line or two to wake up. Senator Obama asked me if I was referring to "Cocaine" and I stated I was. After stating I was, Senator Obama stated he could purchase cocaine for me and then made a telephone call. Senator Obama and I then departed the bar in my limousine and proceeded to an unknown location where Senator Obama exited the limousine with \$250 which was provided to him by me. Returned a short while later with an eight- ball of cocaine - which he gave to me. I ingested a couple of lines of cocaine and

shortly thereafter Senator Obama produced a glass cylinder pipe and packet of crack cocaine from his pocket. Obama then smoked the crack cocaine while I performed fellatio on Senator Obama in the limousine. After which, I had the driver take me to my hotel, The Comfort Suites Gurney (IOL). The following day, November 7th, Senator Obama appeared at my hotel room, unannounced, uninvited, where we again ingested cocaine and I again performed fellatio on Senator Obama."

No sooner was the meeting over than Sinclair was arrested by Washington Metropolitan Police and led away in handcuffs on a fugitive warrant issued by Delaware Attorney General ☆ **Beau Biden son of Senator Joe Biden**, Obama's vice presidential running mate: (An involvement of then Senator ☆ **Joe Biden**^{**} surrounding the arrest was afterwards reported). Sinclair was charged with a misdemeanor count of theft of money orders, however, the state of Delaware declined prosecution. Beau Biden later declined to run for his father's old Senate seat because of his duties to prosecute **a major pedophilia case** involving pediatrician **Dr. Earl Bradley** (of Lewes, Delaware). There are reports that Biden's office helped to cover up Bradley's activities, including failing to authorize search warrants for Bradley's office and computer.

Biden, it is alleged, informed authorities a few days before the Press Club meeting that Sinclair was a "fugitive of justice." However, others see Sinclair's arrest as a "miscarriage of justice," drawing the conclusion that Larry Sinclair became **a political prisoner** at the bidding of Obama operatives. But the real "miscarriage" here is Obama's claim that by supporting same-sex marriage he is "upholding the ideals" on which America was founded. Not true! America's founding fathers upheld the role of the **"Traditional Family"** as the **"foundation of national morality"** - but surrounded by Jewish special advisers: radical socialist ☆ **Valerie Jarrett**, "ad man" ☆ **David Axelrod**, and Zionist shill ☆ **Joe Biden** - Obama has toppled all that was left of our national morality by advocating in support of same-sex marriage the unnatural, unseemly, deviant act of homosexuality. As **Devy Kidd** puts it: There's nothing "gay" about men engaging in bowel movement sex in each other's rectums and feces who end up dying of AIDS.

America is now in the throes of a Spiritual crisis. And it's going to take a whole different kind of leadership than what Obama or Hilton have to offer to bring health and healing to a fallen, "morally wounded" and leaderless nation.

In 2006, after Obama became the junior senator from Illinois, sources in the **Congressional Black Caucus** reported that there were persistent rumors of gay trysts between Obama and then-GOP Senate Majority Leader **Bill Frist** of Tennessee. The allegations at the time seemed unbelievable. **Jeremiah Wright**, the pastor of Obama's former church of 20 years, **Trinity United Church of Christ (TUCC)**^{††} on Chicago's south side, ran what was essentially a matchmaking service for gay married black professional members of the church, including lawyers and businessmen, particularly those

[§] **Broadway Bank** made real estate loans to **Antoin "Tony" Rezko**, the chief of Rezmar Corporation. On 13 May 2008, Rezko was found guilty, after being indicted by a grand jury at the behest of the US Attorney for Northern Illinois **Patrick J. Fitzgerald**, of six counts of wire fraud, six counts of mail fraud, two counts of corrupt solicitation, and two counts of money laundering. Rezko was put into solitary confinement at the Metropolitan Detention Center at Van Buren and Clark in Chicago in June 2008: A Syrian-American, Rezko was considered to be a flight risk, even though his one-time fortune of \$50 million was been reduced to zero.

In 2005, Rezko reportedly engaged in a complicated real estate "flip" through which his wife Rita and Obama agreed to split an empty lot adjoining a home that Obama bought in Chicago's Kenwood district. The deal saw Obama buy the home for \$1.65 million, which was \$300,00 below market value. Obama then bought a strip of the adjoining property from Mrs. Rezko, a speculative deal that stood to make Obama a handsome profit. Since Rezko's conviction, the property reportedly went into bankruptcy. Giannoulis's Broadway Bank was seized by the Illinois Department of Financial and Professional Regulation on 23 April 2010, reportedly as Secretary of Treasury **Tim Geithner** was on his way to Chicago to present the bank with a bailout check. Geithner quickly changed his plans.

Giannoulis, Broadway's then-senior loan officer, denied being involved in the decision to loan money to Rezko.

Last month, Blagojevich's trial judge, US District Court judge **James Zagel**, a crony of former Illinois Republican Governor **Jim Thompson**, ruled that all **500 hours of phone calls intercepted and taped by Fitzgerald** could not be played during Blagojevich's trial as demanded by Blagojevich and his defense lawyers. Blagojevich demanded that Fitzgerald "show up in court and explain to everybody... why he didn't want those tapes that you made played in court" - it was later learned that the tapes may contain salty references Obama's and Emanuel's private lives - the tapes, if played, would highlight the corruption of not only Obama, Emanuel, and other member of Obama's Chicago "brain trust" but also Fitzgerald himself. Fitzgerald's tactics have included providing sex and drugs to imprisoned felons to get them to provide perjured testimony at federal trials. *It is exactly the type of federal prosecutorial misconduct by Fitzgerald that former Republican Governor said was used by state prosecutors when he commuted the death sentences of Illinois's death row population. Ryan was indicted by Fitzgerald for fraud and he is currently serving out a federal prison sentence. Mark Kirk, a Naval Reserve intelligence officer, has also been identified as a closeted gay man: (Kirk divorced his wife last year after an eight-year marriage - they had no children). In addition, US Representative Aaron Shock, who took over the House seat vacated by Obama's Republican Transportation Secretary Ray LaHood, is a habitu   of Minibar, a noted gay bar in Chicago's gay district.*

^{**} **Vice-President Joe Biden** says that congress will soon have to rule on the constitutionality of having people implanted with **microchips** that track their every movement, or whether **brain scans** can be used to determine if a person is inclined for criminality or violent behavior.

^{††} Pastor Jeremiah Wright's mentor is **James T. Cone**, Distinguished Professor of Systematic Theology at Union Theological Seminary brought **liberation theology** to mostly liberal, dissatisfied American niggers, which purports: "It is evident [] that there will be no peace in America until whites begin to hate their whiteness, asking from the depths of their being: How can we become black?" - and: "If Jesus Christ is white and not black, he is an oppressor, and we must kill him." - and "One of the tenets of black theology is that every American is responsible for the plight of the blacks."

The foremost church, the religious spearhead which advances the **Black Theology of Liberation**, is the **Trinity United Church of Christ (TUCC)** in Chicago, where former Pastor Jeremiah Wright's mentor is James Cone. It is also the church where the Muslim Barack Obama and his wife attended for over 22 years. Pastor Wright married Obama and his wife; he is Obama's close friend and until recently was Obama's campaign spiritual advisor. He hastily resigned only because of public exposure of his unpatriotic remarks. There were two other openly gay men in Wright's church: **Larry Bland** and **Nate Spencer**.

with children. The matchmaking club was called the **"Down Low Club"** but references to it over the phone and email simply referred to the group with the code phrase **"DLC"**: The ruse was to make anyone who was eavesdropping on the communications believe that the references were to the **Democratic Leadership Council**, also known as the DLC.

Rumors about Obama and Frist ran amok in Congressional Black Caucus circles in 2006. Although Frist ran on the pledge of only serving two terms, he became Senate Majority Leader with all the perks of the office. Frist's Majority Leader predecessor, Senator **Trent Lott** of Mississippi, was also known to seek the services of male prostitutes. It is obvious why Frist abandoned politics so quickly for the medical business: Frist *later* endorsed Obama's health care proposals. A year later, when GOP Senator **Larry Craig** was **arrested while soliciting for sex in a men's toilet** stall at Minneapolis-St. Paul International Airport, he changed his mind about immediately resigning his Senate seat.

The gay DLC's services were intended to keep ensure Tucc's gay members avoided posting solicitations on web services like Craig's List and refrain from cruising gay bars. The strategy was to protect them from getting busted and being "outed." Among the members of the gay "DLC" were Obama and Tucc's choir director, **Donald Young**, an openly gay man who reportedly had a sexual relationship with Obama. Two other gay members of the church were **Larry Bland** and **Nate Spencer**. Young and Bland were brutally murdered, execution style, in late 2007: Bland was murdered on 17 November 17th and Young on December 24th - the latter was killed by multiple gunshot wounds. Spencer reportedly died on 26 December 2007 - the official cause of death was: "septicemia, pneumonia, and HIV." The gay community in Chicago knows to keep away from the Tucc and "DLC" stories because of the "creepiness" of the operation and the suspicious deaths of the three Tucc gay black men.

Reggie Love, a former Duke basketball and football player and unsuccessful National Basketball hopeful, currently serves as Obama's personal trainer and White House "special assistant" - he has been called **Obama's "body man"** - who receives a salary of \$104,000 a year. Love is also reportedly **one of Obama's regular gay sex partners**. Love joined Obama's Senate staff in a senior staff position in 2006.

Media General's tabloid, the **National Enquirer**, proffered a story [in 2009] about **Michelle Obama** being furious about the relationship between "her" husband and his "body man." The Enquirer's sister tabloid, **The Globe**, *later* floated a story about Obama having a relationship with a Democratic campaign official named **Vera Baker** - a clever ruse to throw off speculation about Obama's actual past sex partners. Baker has apparently left the United States for relatively more obscurity in Martinique. Media General's tabloids have scooped the mainstream media on sex scandals involving **Bill Clinton** and **Gennifer Flowers** and **Monica Lewinsky**, **Tiger Woods**, **John Edwards** and **Rielle Hunter**.

Prior to Obama arriving in Washington, a **McLean Clark** National Operations Director met with Vera Baker of **Baker-Wambu & Associates**: McLean Clark is a public relations and communications firm that worked for Obama in connection with his 2004 Senate race. Baker-Wambu & Associates was a top fundraising firm for the **Congressional Black Caucus**, and Ms. Baker was also listed as the **National Finance Chair for Obama's Senate campaign**. The McLean Clark director, *also* working for the campaign, functioned as a driver for Baker and Obama during the visit. After the conference, the driver picked up Obama, Baker, and a third person - the woman with whom Ms. Baker was to be staying. According to the driver, he drove to the woman's home, but she alone departed; Baker remained in the car with Obama; and the driver them both brought them back to Hotel George, where he dropped the two of them off together for the evening. *Despite its successes, Baker-Wambu & Associates suddenly shut down in 2006. It's hard to find precise dates or a specific reason why the successful consultancy closed.*

On 14 October 2008, the **National Enquirer** suggested that **"sex-pervert"** Barack Obama had an underage, gay affair with a pedophile

- a longtime mentor and "father figure." For seven years, the presidential candidate had a "father-son" relationship with communist and Soviet agent **Frank Marshall Davis**, who has confessed to practicing a wide array of deviant sexual activities: Davis admits to seducing a thirteen year-old girl, voyeurism, exhibitionism, bisexuality, rape and sadomasochism. In his 1995 memoir ***Dreams from My Father***, Obama identifies his childhood mentor only as "Frank," but Obama insiders later confirmed he was referring to Davis, a journalist and poet who was a pal of Obama's maternal grandfather, **Stanley Dunham**. Obama has been extremely secretive about the true nature of his experience with the self-admitted deviant.

Obama's Mudshark Sluts

As a young student in the early-80s at Occidental College, a small arts university in Los Angeles, Obama developed a serious crush on another student - a mud shark named **Alexandra McNear**, who was co-editor of a college literary magazine *which published two of Obama's poems*. He seemed oblivious to her feelings, though, supremely self-absorbed, forever harping on about his search for meaning and identity. Obama's self-obsession would have left many women cold, if not bored to death, but McNear persevered - *and went on to scandalize her family by marrying a former Serbian boxer and convicted bank robber called Bob Bozic*. Obama's attendance at Occidental is significant because Occidental was founded by **Armand Hammer**, Occidental Petroleum CEO, lifelong communist Soviet agent and son of American Communist Party co-founder **Julius Hammer**. *Armand Hammer was pivotal in the political careers of Al Gore Sr. and Al Gore Jr. Al Gore Sr. would have never been elected without him, and may have been recruited to be an agent of influence.*

Next for Obama was **Genevieve Cook** daughter of a former Australian ambassador to the US and a moneyed art historian who later remarried into a prominent American family - she was a mud shark with dark hair and specks of green in her eyes and a voice like a wind chime, whom he met at that mutual friend's flat at a Christmas Party in 1983. She was three years older than him, and an assistant teacher at a private school in Brooklyn: Cook is mentioned in Obama's memoirs as a mystery woman. They often talked about race and Obama would confide *that* he felt like an 'imposter' as there was 'hardly a black bone in his body': She eventually told him he 'needed to go Black' (to date Black women), whereas he countered that he would never find a Black woman 'he would feel truly comfortable with': They moved into a flat together but their intellectual discussions eventually turned into fights over issues like the washing-up... in the end, Cook tired of his emotional 'withheld-ness and lack of spontaneity' and broke up with him, in 1985. *Cook insists she couldn't have been more sympathetic about his confusion over his racial identity but that's not how Obama portrayed it in his memoirs.*

Before Obama met Michelle, he went on to have a relationship with **another mud shark** in Chicago. The relationship was 'serious' and 'ended much like the one with Genevieve, when Obama was ready to make his next career move' - meeting Michael/Michelle and, within four years, finally having the partnership he wanted history to record - with a strong black woman, a descendant of slaves who had pushed her way up from humble roots.

On 10 October 2009, praising homosexual and lesbian activists and promising to **"change America's laws,"** Obama spoke before the **Human Rights Campaign** - the world's largest gay rights political group - a powerful lobby, carried up to by Jews on Capitol Hill such as ☆ **Diane Feinstein** and ☆ **Joseph Lieberman**, funded by major corporations, and of course, given huge support by American Jewry. Obama gave his whole hearted support to the homosexual quest to destroy and redefine the traditional white Christian American family and called on Congress to repeal the **Defense of Marriage Act** and to pass the **Domestic Partners Benefits and Obligations Act**: The key sponsors of Obama's desired Domestic Partners Benefits and Obligations Act are Jews who also are hell bent on destroying the white Christian American family: Democrats ☆ **Gary Ackerman**, ☆ **Howard Berman**, ☆ **John Adler**, and ☆ **Shelly Berkley**. Zionist Jew ☆ **Rahm Emanuel**, now White House Chief of Staff, co-sponsored the Act when it was first introduced.

Although not in the same class, Obama and Alabama Democratic U.S. Representative **Artur Davis** attended Harvard Law School during an overlap of their attendance at the law school - a 2010 primary candidate for governor of Alabama: The information on Davis and Obama was gathered by opposition researchers for former Alabama Representative Earl Hilliard, who Davis defeated in the 2002 Democratic primary.

Obama still faces a legal challenge to his constitutional eligibility to be president. Instead of producing records proving he is **a natural born citizen**, Obama and the Democratic National Committee have filed a motion seeking a protective order to block production of documents until a motion to dismiss is the law suit is ruled on by the court. What is it that Obama and the Democratic National Committee are trying to hide? why not just produce documents that **prove Obama's citizenship** and make the lawsuit go away?

A report circulated in the **Kremlin** prepared by the **Main Intelligence Directorate (GRU)** claims that dental hygienist **Miriam Iris Carey, RDH**,^{††} the unnamed 34-year-old Black woman who was gunned down with 26 bullets - 5 of them fatal - by White House guards on Thursday, 3 October 2013, after a televised car crash in Washington (DC) was, in fact, "**deliberately targeted**" by an elite Secret Service and a Capitol Police hit-squad under orders to assassinate what Russian intelligence officials say was the mother of President Barack **Obama's "love child"** to protect President Obama from **political sex scandal**: Her daughter (age 1 year) was in the back seat, but was miraculously uninjured. Upon arriving at the White House on October 3rd, Ms. Carey became "aware" of the trap she had driven into... and in her attempting to flee to safety was viciously tracked by multiple US intelligence agencies and ultimately assassinated by a point-black gunshot to the left side of her head. The Carey family's attorney, Eric Sanders, contends: "*She didn't run anybody over and she certainly didn't crash into no gate.*"

"Her tragic death smacks of a cover-up. The logical reason for this would be to protect President Obama from scandal - that Miriam's daughter is his love child!"

Rev. Manning,
pastor of the ATLAH World
Missionary Church in Harlem

Michelle is said to have a "watch list" of women that were to be kept away from her Presidential husband, most unfortunately it did

^{††} Ms. Carey noted that her meeting with Obama culminated in **a girl child** being born in August 2012, and which it appears the **President attempted to have her abort**, but which Ms. Carey refused to do because of her **Christian beliefs**. A CIA operative, believed to be close friend to Obama, **Eric Francis** (age 52-4), was assigned as her "**monitor**" and "**conduit**" to the President through a Connecticut shell company named **HOOD CT** whose location is listed as a P.O Box and whose only email contact is listed as miriam@hoodct.com. The establishment of **CIA shell companies** like HOOD CT is a common practice within that spy agency and allows their agents to receive vast sums of money through un-reportable US government purchases to support their operations, and in the case of email allows these communications to escape the scrutiny of "prying eyes."

The mysterious CIA agent Eric Francis was first acquainted with Obama in the 1980's and was responsible for obtaining for the President a US Social Security Card from Connecticut even though Obama had never lived in that State. He was *also* the purported owner of a bar named **Hartford Blueprint** and a founding member of the **West Indian Social Club**, with both of these enterprises being located in Hartford (CT). Attorney **Eric Sanders** was arrested under "trumped up charges" for his defiance of the Obama regime due to his not telling the propaganda version of events surrounding Ms. Carey's assassination and releasing to the press the truthful information contained in what are called **Top Secret reports**.

Stamford (CT) **Superior Court Judge Jane Emons** denied Ms. Carey's family emergency plea for access to the baby Erica leaving this young child in the custody of her mysterious, and "non-supportive supposed father, CIA agent Francis." Family and friends of Miriam Carey can only wonder what fate will befall baby Erica, whose mother was so coldly stolen from her by assassins, and whose life is now shrouded in mystery... a black hole made even more dangerous due to her real father, Obama, and his media lapdogs determined to keep him from falling no matter how many innocent lives may be lost.

not include Miriam Carey. Obama first met Ms. Carey on 18 May 2011 when he traveled to New London (CT) to address the graduating class of the US Coast Guard Academy. Federal officials said she may have suffered from schizophrenia and bipolar disorder and believed President Obama was communicating with her. President Obama's enemies have been touting the **conspiracy theory** that he purposely summoned Miriam to the White House to have her executed - because he fathered of her an unwanted and inconvenient child! Video of the incident was strategically caught on camera by **Alhurra TV** - a small news outlet based in the Middle East, run on the US government's dime. Carey's 1-year-old daughter thankfully survived the harrowing incident. The Carey family filed a \$150 million wrongful-death civil claim [] suing the Secret Service, the Department of Justice and the Capitol Police for \$75 million in the death, which media reports have tied to Carey's diagnosed psychosis.

The same, however, cannot be said of one of Obama's longest mistresses, such as **Vera Baker** (age 35), a Black woman who, aside from working tirelessly raising millions for his Senate and Presidential campaigns (in 2004), was caught having an affair with him. She fled to the Caribbean island of Martinique when her scandalous six-year-long affair with the American President was discovered by Michelle, who jealously fired her from the campaign, and remains in hiding to this day. (Somewhat adding to its significance and impact is the **Drudge Report**, whose success is directly attributed to breaking the **Monica Lewinsky** story in 1998.) Was Vera Baker the misdirection from those inside Obama's camp, who didn't want his **alleged homosexual affair** with **Reggie Love** reported?

On Monday 3 February 2014, the Obama administration announced the **United States Postal Service (USPS)** would issue a stamp honoring homosexual predator, pedophile, and politician, **Harvey Milk** - first in a series celebrating sexual perversion in America entitled **Famous Sodomites**. A transgendered bisexual USPS spokesperson called the series a statement of President Obama's vision for America. Future USPS plans call for commemorative stamps honoring **late-term abortionists** and **atheists**.

☆ Harvey Milk, one of the first openly gay public officials in the United States,

What would you call a 33-year-old man who both had and axiomatically acted upon a deviant sexual appetite for underage, drug-addicted, runaway boys? What would you call a man of whom, as regards sexual preference always had a penchant for young waifs with substance abuse problems"? I call this man demonstrably and categorically an evil man based on his [statutory] rape of teenage boys. Harvey Milk's only claim to fame is that he was the first openly homosexual candidate to be elected to public office (San Francisco city commissioner). His chief cause was to do away with the Judeo-Christian sexual ethic. In 1978, Milk was murdered over a non-related political dispute by fellow Democrat Dan White... and a progressive martyr was born.

Merriam Webster defines *pederast* as one who practices anal intercourse especially with a boy. It defines *statutory rape* as the crime of having sex with someone who is younger than an age that is specified by law. ☆ **Harvey Milk**^{§§} was both a pederast and, by extension, a statutory rapist.

§§ ☆ **Harvey Milk should have been a registered sex-offender:** One of Milk's victims was a 16-year-old runaway from Maryland named **Jack Galen McKinley** (who later committed suicide in 1980). As previously mentioned, 33 years old Milk lusted for teenage runaways - and motivated by an apparent *quid pro quo* of prurience, he plucked McKinley from the street. **Randy Shilts**, who died of AIDS in 1994, was a beloved LGBT San Francisco Chronicle reporter and close friend to Harvey Milk. Shilts was also Harvey Milk's biographer: In his glowing book *The Mayor of Castro Street*, he wrote of Milk's relationship with the McKinley boy: "Sixteen-year-old McKinley was looking for some kind of father figure. At 33, Milk was launching a new life, though he could hardly have imagined the unlikely direction toward which his new lover would pull him."

As homosexuals, we can't depend on the heterosexual model. We grow up with the heterosexual model, but we don't have to follow it. We should be developing our own lifestyle. There's no reason why you can't love more than one person at a time.
Harvey Milk

Whereas McKinley, a disturbed runaway boy who desperately sought a father figure to provide empathy, compassion, wisdom, and direction, instead encountered Harvey Milk: a promiscuous sexual predator who found, in McKinley, an opportunity to satisfy a perverse lust for underage flesh. Years later, McKinley committed suicide. Another teen who crossed paths with Harvey Milk was Christian convert and former homosexual **Gerard Dols**. In a 2008 radio interview with **Concerned Women for America**, Dols shared of how as a physically disabled teen the very nice Harvey Milk had encouraged him in 1977 to run away from his Minnesota home and come to San Francisco. According to Dols, Milk told him, "Don't tell your parents..." and later sent him a letter with instructions. Thankfully, the letter was intercepted by Dols' parents, who then filed a complaint with the Minnesota attorney general's office. The incident was evidently swept under the rug.

So what does a man like [kharaz] Harvey Milk get for his apparent crimes? While most sexual predators get time in prison and a dishonorable mention on the registry of sex offenders, Harvey Milk got his own California state holiday (Harvey Milk Day) and, more recently, his own commemorative postage stamp, awarded by the Obama administration's USPS. God bless America?

To me, even the mere notion of elevating, to hero status, a man who statutorily raped teenage boys, is sick.

The **Moscone-Milk assassinations** were the killings of San Francisco Mayor **George Moscone** and San Francisco Supervisor Harvey Milk, who were shot and killed in San Francisco City Hall by former Supervisor **Dan White**, a former police officer and firefighter - perhaps the most hated man in San Francisco's history - on 27 November 1978. Following a brief argument, White shot the Mayor in the shoulder and chest, and then twice in the head. White then walked to his former office, reloading his gun, and asked Milk to join him. White then shot Milk in the wrist, shoulder and chest, and then twice in the head, execution style. Supervisor Dianne Feinstein heard the gunshots and called the police, who found Milk on his stomach, blood pouring out of his head wounds

That White was not convicted of first-degree murder (of which he was originally charged) had so outraged the city's gay community that it set off the most violent reaction by gays since the **1969 Stonewall Riots** in New York City, causing hundreds of thousands of dollars' worth of property damage to City Hall and the surrounding area, as well as injuries to at least 61 police officers and an estimated 100 members of the public were hospitalized in the course of the riot.

Several hours after the riot had been broken up, police made a retaliatory raid on a gay bar in San Francisco's Castro District. Many patrons were beaten by police in riot gear. Two dozen arrests were made during the course of the raid, and several people later sued the SFPD. In the following days, gay leaders refused to apologize for the events of that night - this led to *increased political power in the gay community*, which culminated in the election of Mayor ☆ **Dianne Feinstein** to a full term, *the following November*. In response to a campaign promise, Feinstein appointed a pro-gay Chief of Police, which increased recruitment of gay people in the police force and eased tensions.

These events helped bring national notice to then-Board President Dianne Feinstein, who became the first female mayor of San Francisco and eventually US Senator for California: As a superdelegate, Feinstein had declared she would support **Hillary Clinton** for the Democratic

The subversion of White Christian culture by organized Jewry and the Jew-controlled entertainment industry, is part of a two-pronged attack on social homogeneity in American life. By promoting *deviant sexual lifestyles* and lobbying for *open immigration*, Jews insure for themselves a safe haven to further their own ethnic solidarity while dissolving the ethnic identification of White Christian Americans: Multiculturalism is nothing less than the Jewish sabotage of a homogenous Christian culture. The traditional foundations of European society - and by way of extension in North America - has rested on three pillars: *patriotism*, a Christian basis for *morality*, and *social homogeneity*. But Jews are very uncomfortable with this formula for they refuse to relinquish an exalted view of themselves as a "separate people" with their own set of interests within the Gentile nations which host them. Thus American Jewry has attacked the very race that are the purveyors of this formula, white Europeans, who have carried Christian culture for centuries. Leading the charge against the white American race and its traditional Christian culture are the **Anti Defamation League (ADL)**^{***} with their intensive **Gay**

presidential nomination. However, once **Barack Obama** became the presumptive nominee for the party, she fully backed his candidacy. Days after Obama amassed enough delegates to win the Democratic Party nomination, Feinstein lent her Washington (DC), home to both Clinton and Obama to have a private one-on-one meeting.

Note 1: The last years of the 1960s were plagued by various Communist-Bolshevik anti-social movements, including the African American Civil Rights Movement, the Counterculture of the 1960s, and antiwar demonstrations. The **Stonewall Riots** were a series of spontaneous, *violent demonstrations* by members of the *gay community* against a police raid that took place in the early morning hours of 28 June 1969, at the Stonewall Inn, which was owned by the *Genovese-mafia family* and located in the Greenwich Village neighborhood of Manhattan, New York City: It catered to an assortment of perverted patrons and was known to be popular among the poorest and most marginalized people in the gay community: drag queens, transgender people, effeminate young men, butch lesbians, male prostitutes, and homeless youth. The Stonewall Riots are widely considered to constitute the single most important event leading to the gay liberation movement and the modern fight for LGBT rights in the United States.

Note 2: The **White Night riots** were a series of violent events, on 21 May 1979, sparked by an announcement of the lenient sentencing of Dan White, for the assassinations of San Francisco Mayor George Moscone and of Harvey Milk, a member of the city's Board of Supervisors who was among the first openly gay elected officials in the United States: Earlier that day, White had been convicted of *voluntary manslaughter*, the lightest possible conviction for his actions; he served five years of a seven-year prison sentence... and, less than two years after his release, he returned to San Francisco where, on 21 October 1985, he *allegedly* committed *suicide by carbon monoxide poisoning* in his garage by running a garden hose from the exhaust pipe to the inside of his car.

*** The **Anti Defamation League (ADL)**, like all powerful Jewish lobbies, can make or break an incumbent congressman or senator - with their access to billions of Jewish dollars and their connections with the Jewish owned media, *the ADL intimidates politicians* with the threat of losing their seats and being smeared in the press if they do not agree to drafted-legislations which they promote as "model legislations." In other words, **Jewish supremacists** are making the laws of America, not elected officials. Any dissent means political ruin by the vengeful, all-powerful Jewish lobby. One of the ADL-drafted-legislations is the **Federal Hate Crimes Bill** known as the **Matthew Shepard Hate Crimes Prevention Act** - passed by Congress on 22 October 2009: This law criminalizes a violent action against a federally protected group. (The Federal government can now go after anyone they want to for "hate" towards homosexuals, lesbians, and transgenders as specified in the bill - despite State & Local protection.)

Led by the ADL, secular Jewish supremacy is deeply entrenched in Washington, promoting its anti-Christian, anti-freedom, un-American agenda. Democrats especially are overtly complicit with the **Zionist Occupied Government**. A Federal police state with absolute power has thus been created. The *ultimate agenda* of the ADL is to break down Christian conservative values by attacking *freedom of speech* with a *special bias against Christians* who affirm the Biblical prohibitions against *sexual perversion*. The 2010 **Student Nondiscrimination Act - HR 4530** gives grade and high school homosexual students *special rights and protection over the majority* - the same federal advocacy given blacks under the **Civil Rights**

Pride Early Childhood Education Programs in public schools and the **American Civil Liberties Union (ACLU)** with their **LGBT Project** aimed at defending odious Gay students and litigating against virtuous Christian students and Bible distribution in public schools. Both the ADL and the ACLU are headed and funded by Jews. These two groups have targeted White Gentile children in America's public schools by providing *teaching aids, curriculae, and books* such as the **Early Childhood Activity Kit** for Pre-K to 6th grade, which promotes homosexuality, lesbianism, and transgenderism. *Jewish children are exempt from this brainwashing as a high percentage are enrolled in private schools and taught at home and synagogue that the propagation of the Jewish race through traditional marriage is crucial for Jewish survival - but for the White Gentiles, the Jews propose to "let deviant sex destroy their race!"*

If the God-damned fags want to be fags - who cares, eh! if they want us to accept the fact that they are "special" - who cares... let them be special. But when they want the same rights and liberties as normal people who are following our ancestral and cultural traditions - and promoting changing these hereditary values to suit themselves - then "fuck them," eh. They can go to hell - which is where they're going anyways... being a deviant minority. Since when does the mouse dictate to the lion?

When I was a young and emerging artist I *also* advocated social awareness of Lesbian and Gay Rights... but I grew up and came to realize *that* the fags didn't give a flying fuck about the moral majority. Although I grew to oppose the fag agenda... I continued to advocate their rights... but being the dog that bites the hand that feeds it, these ungrateful degenerates took every advantage of the proverbial inch given them to demand the proverbial mile: It wasn't enough for them to acquire social acceptance... but they determine to undermine our society and millenniums of our evolved cultural norms to suit themselves and further their lustful inclinations.

Act of 1964. This is an indirect targeting of so-called "homophobic" Christians who affirm the *Biblical prohibition against depraved sexuality*. With malicious intent, the ambiguous Student Nondiscrimination Act does not adequately define "harassment" or "intimidation." Even grade school children who think they are victimized can persuade their local liberal, feminist or gay district attorney to summon the force of federal intervention. If such "victimized" children want to launch civil lawsuits against students, parents or Church leaders, this bill makes it clear nothing will prevent them: This is exactly what the Anti Defamation League (ADL) is after - *persecution of Christians*. *State and local governments which do not reeducate and punish those who supposedly intimidate pro-gay students will lose federal funding. Thus Christian students, teachers or parents will be persecuted, their voice suppressed, then imprisoned if alleged offense continues. The Anti Defamation League is exaggerating an "epidemic of hate" in public schools, dramatizing rare abuses to justify massive federal jurisdiction.*

The aim of the Anti Defamation League is to establish the federal government as the pro-homosexual educator and punisher of Christian opponents of homosexuality at every level of public schooling. HR 4530 amounts to federal endorsement of adolescent homosexuality as a legitimate, normal alternative. Its encouragement of homosexuality on the grade school level will destroy young consciences even before they have been formed. Yet it is considered a disgrace to the Jewish family if a son or daughter identifies as a homosexual or lesbian. *Meanwhile, Jewishness is being shoved in our faces everywhere we turn. Because the Jews wish to position themselves as "victims," they have exploited the Holocaust to make Americans feel protective of the poor Jewish victim of Anti-Semitism. But has anyone brought to mind that these so called "victims" happen to be the wealthiest sufferers the world has ever known?*

America was once a nation that bonded its citizens together through a common Christian memory, cause, and destiny. Christian decency has now been preempted by crass depravity through the Jewish-controlled Media and its legal arm, the Jewish-run and funded, American Civil Liberties Union. (ACLU). Our Christian heritage has been undermined by the Jewish elite who have lobbied successfully for a **"multicultural"** (translate, "all belief-systems that will crowd out Christianity") society. America, once known as a Christian nation, is now is now termed, thanks to Jewish Academia, a **"pluralistic" nation**. But "pluralism" and "multiculturalism" works to the Jews advantage: **Divide And Conquer!** What we have now in our nation, is not primarily a "pluralistic" society, but rather, a "Jewish" America.

Leading secret alternate life styles, Obama and his chief of staff provide classic blackmail threats. Considering Obama's choice for the Supreme Court, **Elena Kagan**, who is reputedly a *semi-open lesbian*, the question must be posed how much Obama's and Emanuel's own covert life styles led to the decision to nominate Kagan, someone with no experience on a judicial bench. Similarly, the fact that so much is known about Obama's and Emanuel's trysts in Chicago begs another important question. If politicians, gay community activists, and journalists in the Windy City are aware of Obama's and Emanuel's **highly blackmailable gay life styles**, the same can certainly hold true for the intelligence agencies of America's allies, friends, enemies... and the situation becomes a clear and present danger to the national security of the United States.

President Barack "the Islamic Shock" Hussein Super-Allah Obama & Michael LaVaughn Robinson^{†††}

^{†††} The fall of Ramadi - the capital of Anbar province, which sits between Isis strongholds in Syria and the Iraqi capital of Baghdad - has not just exposed the weakness of Barack Obama's nine-month war against the Islamic State. It has also exposed his administration to accusations of a growing credibility gap between optimistic White House pronouncements and the grim realities on the ground. Iraq veterans, thinktank analysts and former US officials have begun drawing comparisons to Donald Rumsfeld's Pentagon during the darkest days of the Iraq occupation. Then as now, some suspect the US is sacrificing a truthful description of the war to avoid pressure to escalate.

Asked about Isis hoisting its flag in Ramadi, Marine brigadier general Thomas Weidley, the chief of staff of the US military command prosecuting the war, suggested that Isis was merely "taking photos and documenting small-term gains and then using it for propaganda purposes."

The fall of Ramadi was an important setback for Iraq and the United States, but it does not have to be a catastrophe. Hopefully, it will prove to be a wake-up call for Baghdad and Washington, both of whom have become complacent in their approach to the civil war there.

In a speech on 30 September 2011, at the transition or change-of-office ceremony of the Chairman of the Joint Chiefs of Staff at Fort Myer, Virginia, Obama referred to his wife not as Michelle but as Michael... making him the first fagay President of the American Christian nation - an CIA/MK Ultra masterwork of mass population Luciferian Deception and illusion - a propaganda campaign even more nefarious and deadly in consequence than the Jade Helm, 9-11, JFK assassination, and Pearl Harbour lies - *to name just a few*. Obama's High School Yearbook Surfaces... Who He Thanked is Sickening!

A new book detailing Barack Obama's extensive marijuana use in high school and college paints a picture of the president which is much seedier, grungier and crass than was previously thought. Obama doesn't have a stellar reputation at this point in his presidency, and David Maraniss' book isn't going to help it any.

"A self-selected group of boys at Punahou School who loved basketball and good times called themselves the **Choom Gang**,"

Maraniss writes in *Barack Obama: The Story*. "Choom is a verb, meaning 'to smoke marijuana.'"

Obama attended Punahou School in Honolulu, where he became known for starting various pot-smoking trends, like "TA," which was short for "total absorption." If Barry caught you exhaling precious marijuana instead of absorbing it fully into your lungs, you were penalized and your turn was skipped the next time the joint was passed around. According to Maraniss, "Along with TA, Barry popularized the concept of 'roof hits': when they were chooming in the car all the windows had to be rolled up so no smoke blew out and went to waste; when the pot was gone, they tilted their heads back and sucked in the last bit of smoke from the ceiling."

"Barry also had a knack for interceptions," writes Maraniss. "When a joint was making the rounds, he often elbowed his way in, out of turn, shouted 'Intercepted!,' and took an extra hit. No one seemed to mind."

Obama bought his pot from a man who went by "Ray the Dealer" and lived in a dilapidated bus in an abandoned warehouse. He was later found murdered by an ex-gay lover. Obama even gave Ray a mention in his high school yearbook: "Thanks Tut, Gramps, Choom Gang, and Ray for all the good times," writes Obama.

"A hippie drug-dealer made his acknowledgments; his own mother did not," noted Maraniss.

Looks like Obama's priorities have always been off...

Why Would Obama Regime Allow 23 Jihad Training Camps "Capable Of Mounting Terror Campaigns Within U.S." To Remain Open?

In normal times, Americans would demand these jihad compounds be shut down. But we're not living in "normal times." Americans have been bullied into submission by the leftist shame police. They've been told they're "racists" and "Islamophobes" for even suggesting Islamic terrorists have any ties to Islam. Their government tells them, "If you see something, say something." But beware of the wrath of the Left... if you "say something" against someone who happens to be part of the "protected victim class."

If the fact that there are **23 jihad training camps within U.S. borders** isn't frightening enough, the fact that president Barack Obama has done absolutely nothing about them should be. According to a document released by **the Clarion Project**, 23 confirmed terrorist Jihad compounds belonging to **Jamaat ul-Fuqra**, a Pakistan Muslim Brotherhood and Al Qaeda-related organization, were operating within their own borders.

Foreign Relations told the New York Times. He's also been unable to fulfill a campaign promise to close the prison at *Guantánamo Bay* and is often blamed for a failure to act decisively with regard to *the Syrian crisis* - a complicated dark mess spewing out a tsunamigration of militant invaders which are darkening the light of Western Civilization with creeping Shari'a Law.

Frazier Robinson Jr. (born 1912) was the son of **LaVaughn Delores Johnson** *daughter of James P. Johnson (son of Ruben Johnson and Carrie Don) and Phoebe Motin (daughter of Nelson and Mary Motin)*. **Frazer Robinson III**, who suffered from multiple sclerosis, was Michael/Michelle's father.]

On 13 January 1983, Michael underwent *sex reassignment surgery* at Johns Hopkins University School of Medicine. To hide the shame of his new identity, Michael left Oregon State to attend Princeton University under his new legal name: "Michelle Robinson." Years later, he-she met Barry Obama Jr., a Kenyan immigrant who later became aware of Michelle's "true" identity: They subsequently married and adopted two children.

Some sources believe that the Obama daughters, Malia and Sasha, were secretly adopted out of Morocco or they are surrogate children. But there are no pictures or records of Michelle Obama being pregnant or with a newborn baby... furthermore, there are no public birth records for either Malia Ann (*supposedly* born on 4 July 1998) and Natasha (known as Sasha) (*supposedly* born on 10 June 2001): Both being born before Barrack Obama became President of the United States.

In a July 2014 unprompted outburst to the press, Joan Rivers claimed that Barrack Obama was America's first fagay president. She then said: "You know Michelle is a tranny. When the reporter attempted to clarify, she responded: 'A transgender. We all know.'" As all Illuminati/Jewish Cabal, Joan Rivers was bound by a *Blood Covenant* of secrecy. By 4 September 2014, the 81 year old popular comedian suddenly died from "anoxic encephalopathy due to hypoxic arrest" - a medical description of brain damage caused by a lack of oxygen - *as she had been symbolically smothered to shut her big mouth up*.

Lets be honest, he-she is obsessed with homosexuality and transgenderism... and her homosexual husband, who has a habit of allegedly killing his ex-boyfriends, once said: "I'm real good at killing people" - *infer*. Michelle is a deviant who is also forcing the children of America to eat under-nourishing food in school cafeterias while her own children eat whatever the hell they want. And let's be honest he-she is a scary looking, well-fed angry dude. Her husband, who 1 out of 3 Americans think is the Anti-Christ, had been given the code name by the secret service protection squad as "Renegade" - which explains what they think of him: But what do they think of his wife: "Michelle's" code name was Renaissance.

Note: "No **Nobel Peace Prize** ever elicited more attention than the 2009 prize awarded to President Barack Obama," **Geir Lundestad**, ex-secretary of the 2014 Nobel committee, writes: "Even many of Obama's supporters believed that the prize was a mistake." The decision was met with criticism in the US - and many argued Obama had made any contribution to world peace worthy of the award. Obama considered not going to pick up the award in Norway's capital, Oslo. His staff enquired whether other winners had skipped the ceremony but found this has happened only on rare occasions, such as when dissidents were held back by their governments.

Thorbjorn Jagland, chairman of the Nobel Peace Prize Committee, said that President Obama "really ought to consider" returning his Nobel Peace Prize Medal immediately, including the "really nice" case it came in. Flanked by the other four members of the Committee, he, said they'd never before asked for the return of a Peace Prize, "even from *a damnable war-criminal like Kissinger*" - and that sending it back in a plain package by regular mail would fine if it would save him the embarrassment of a public return. The White House had no comment. It later announced an aggressive new covert CIA initiative to identify and apprehend al-Qaeda operatives in Scandinavia.

If he had it to do over again, the former director of Norway's Nobel Institute says, Obama would never be awarded the 2009 Nobel Peace prize. Obama's *drone program* is regularly criticized for a lack of transparency and accountability, especially considering incomplete intelligence means *officials are often unsure about who will die*.

The group of **Muslims of America (MOA)** are documented to have a connection to terrorism with training inside the United States. There was a 2002 unsolved murder at one of these compounds in Texas. When the Clarion Project obtained the 2007 FBI document detailing the Texas Enclave of MOA, what they found was deeply disturbing. The organization says it has a network of 22 “villages” around the U.S., with **Islamberg** as its main headquarters in New York. The **Clarion Project** obtained secret MOA footage showing female members receiving paramilitary training at Islamberg. It was featured on the Kelly File on FOX News Channel in October 2015. A second MOA tape released by Clarion shows its spokesman declaring the U.S. to be a Muslim-majority country.

A 2007 FBI record states that MOA members have been involved in at least 10 murders, one disappearance, three firebombings, one attempted firebombing, two explosive bombings and one attempted bombing. It states: “The MOA is now an autonomous organization which possesses an infrastructure capable of planning and mounting terrorist campaigns overseas and within the U.S.”

“The documented propensity for violence by this organization supports the belief the leadership of the MOA extols membership to pursue a policy of jihad or holy war against individuals or groups it considers enemies of Islam, which includes the U.S. Government. Members of the MOA are encouraged to travel to Pakistan to receive religious and military/terrorist training from Sheikh Gilani.”

The document also says that, “The MOA is now an autonomous organization which possesses an infrastructure capable of planning and mounting terrorist campaigns overseas and within the U.S.” ~Clarion Project

Jamaat ul-Fuqra is known to be an extremely militant group of international terrorists. The compounds allegedly provide paramilitary training to new recruits for jihad against America. The document also claimed that Jamaat ul-Fuqra was an “autonomous organization which possesses an infrastructure capable of planning and mounting terrorist campaigns overseas and within the U.S.”

This document was obtained in 2007, but still nothing has been done about these compounds or their activities. If you’re wondering why, the answer lies with our very own president and Department of Homeland Security, which refuse to classify Jamaat ul-Fuqra as a foreign terrorist organization — even though plenty of evidence proving they are terrorists reportedly exists.

The fact that Obama has done nothing to stop these groups only reinforces the notion that he chooses to support Muslim interests over American interests, and that is disturbing in every way. What kind of president allows this kind of training to happen in his own backyard? This is as good a reason as any for Americans to exercise their Second Amendment rights. If their president is more worried about being politically correct than he is in the safety of the country, then the people deserve the right to defend themselves.

1. Gay Manifesto - "We Shall Sodomize Your Sons"

(First Published in Gay Community News, Feb. 15-21, 1987 and also put into the Congressional Record. Author - Michael Swift)

We shall sodomize your sons, emblems of your feeble masculinity, of your shallow dreams and vulgar lies. We shall seduce them in your schools, in your dormitories, in your gymnasiums, in your locker rooms, in your sports arenas, in your seminaries, in your youth groups, in your movie theater bathrooms, in your army bunkhouses, in your truck stops, in your all male clubs, in your houses of Congress, wherever men are with men together. Your sons shall become our

minions and do our bidding. They will be recast in our image. They will come to crave and adore us.

Women, you cry for freedom. You say you are no longer satisfied with men; they make you unhappy. We, connoisseurs of the masculine face, the masculine physique, shall take your men from you then. We will amuse them; we will instruct them; we will embrace them when they weep. Women, you say you wish to live with each other instead of with men. Then go and be with each other. We shall give your men pleasures they have never known because we are foremost men too, and only one man knows how to truly please another man; only one man can understand the depth and feeling, the mind and body of another man.

2. *The Obama Death List*

These are the alleged deaths connected in some way or another to Barack Obama.

The following is a partial list of **deaths of persons connected to Barack Hussein Obama** during his time inside the United States. Read the list and judge the preponderance of evidence for yourself....:

Sarah Berkley: author of "*The Jihad at the Ballot Box*" - a book examining Obama's relationship with radical Islam. Died in a *mysterious car crash* in 2003.

Russell McDougal: former FBI operative - died on 23 January 2007. McDougal was known to hold sensitive information about meetings Barack Obama had with arms smugglers.

His *wife was murdered* March 2006 after he went public with his initial reports.

His father died 8 July 2006 - four hours after McDougal presented his findings on the Savage Nation (Dr. Michael Savage talk show host).

He *also* suffered administrative retaliation after reporting discussions by Jihadist groups concerning Obama to his superiors.

Rodrigo Villalopez: a television news camera man who shot the footage of Obama describing small town voters as "bitter" and "clinging to their guns" during the primary season.

Brian Goring: a defense attorney for Obama patron *Antoin "Tony" Rezko* during his trial for extortion and bribery. He died of *apparent* "natural causes."

Mercedes Hugley: one of Obama's many white, female conquests while at Harvard. She filed *sexual assault charges* against Obama for *date rape* in 1990. Because "date rape" was not considered a crime like it is today, she ended up dropping the charges. Two years later, she was found dead of an *apparent cocaine overdose*.

Tamika Hill: a former secretary for Obama's office in Chicago was murdered 6 July 2005 at a rib shack in the south side. Hill had spoken off the record with a reporter from the Chicago Sun Times about meetings Obama had with black militants in the city. She was *murdered* before she could ever be properly interviewed.

Hasad al-Shareez: an FBI informant. He reported to his handler in January 2001 that he had a tape about of a person named simply "B. Hussein" meeting with 9/11 hijacker *Mohatma Atta* in Prague. Was found *shot* in the basement of a mosque in Dearborn (MI) in October 2001.

Darsano Rahardjo: Childhood classmate of Barack Obama when he attended a madrassa in Indonesia. Was found with his *head cut off* in a Jakarta alley way in 1970. Many children at the school attributed Rahardjo's murder to the young Barack Obama. It was likely done as an initiation ritual, since Islam demands that a boy spill another's blood before the age of ten to prove their loyalty to Allah.

Reverend David Manning: Former head of the **Trinity Baptist Church** in Chicago was murdered during the apparent robbery of a catfish restaurant in 1972. Shortly afterwards, *Rev. Jeremiah Wright* took over as head of Trinity and many parishioners (who later left the church) suspected Wright in having a hand in Reverend Manning's death.

Decades later, Manning's son **Jamal Manning** was found dead of an apparent *crack overdose* in 2004. It was rumored he was going to bring evidence of Wright's complicity in his father's death. His testimony was timed to coincide with Obama's first senate race.

Christopher Hargrove: a former lover of *Larry Sinclair* who was found dead in a hotel room of *apparent auto-erotic asphyxiation* in January 2001. He was said to have been enraged when he found out that Sinclair had cheated on Jackson with Obama in the back of a

All laws banning homosexual activity will be revoked. Instead, legislation shall be passed which engenders love between men.

All homosexuals must stand together as brothers; we must be united artistically, philosophically, socially, politically and financially. We will triumph only when we present a common face to the vicious heterosexual enemy.

If you dare to cry faggot, fairy, queer, at us, we will stab you in your cowardly hearts and defile your dead, puny bodies.

We shall write poems of the love between men; we shall stage plays in which man openly caresses man; we shall make films about the love between heroic men which will replace the cheap, superficial, sentimental, insipid, juvenile, heterosexual infatuations presently dominating your cinema screens. We shall sculpt statues of beautiful young men, of bold athletes which will be placed in your parks, your squares, your plazas. The museums of the world will be filled only with paintings of graceful, naked lads.

Our writers and artists will make love between men fashionable and de rigueur, and we will succeed because we are adept at setting styles. We will eliminate heterosexual liaisons through usage of the devices of wit and ridicule, devices which we are skilled in employing.

We will unmask the powerful homosexuals who masquerade as heterosexuals. You will be shocked and frightened when you find that your presidents and their sons, your industrialists, your senators, your mayors, your generals, your athletes, your film stars, your television personalities, your civic leaders, your priests are not the safe, familiar, bourgeois, heterosexual figures you assumed them to be. We are everywhere; we have infiltrated your ranks. Be careful when you speak of homosexuals because we are always among you; we may be sitting across the desk from you; we may be sleeping in the same bed with you.

There will be no compromises. We are not middle-class weaklings. Highly intelligent, we are the natural aristocrats of the human race, and steely-minded aristocrats never settle for less. Those who oppose us will be exiled.

We shall raise vast private armies, as Mishima did, to defeat you. We shall conquer the world because warriors inspired by and banded together by homosexual love and honor are invincible as were the ancient Greek soldiers.

The family unit-spawning ground of lies, betrayals, mediocrity, hypocrisy and violence--will be abolished. The family unit, which only dampens imagination and curbs free will, must be eliminated. Perfect boys will be conceived and grown in the genetic laboratory. They will be bonded together in communal setting, under the control and instruction of homosexual savants.

All churches who condemn us will be closed. Our only gods are handsome young men. We adhere to a cult of beauty, moral and esthetic. All that is ugly and vulgar and banal will be annihilated. Since we are alienated from middle-class heterosexual conventions, we are free to live our lives according to the dictates of the pure imagination. For us too much is not enough.

The exquisite society to emerge will be governed by an elite comprised of gay poets. One of the major requirements for a position of power in the new society of homoeroticism will be indulgence in the Greek passion. Any man contaminated with heterosexual lust will be automatically barred from a position of influence. All males who insist on remaining stupidly heterosexual will be tried in homosexual courts of justice and will become invisible men.

We shall rewrite history, history filled and debased with your heterosexual lies and distortions. We shall portray the homosexuality of the great leaders and thinkers who have shaped the world. We will demonstrate that homosexuality and intelligence and imagination are inextricably linked, and that homosexuality is a requirement for true nobility, true beauty in a man.

We shall be victorious because we are fueled with the ferocious bitterness of the oppressed who have been forced to play seemingly bit parts in your dumb, heterosexual shows throughout the ages. We too are capable of firing guns and manning the barricades of the ultimate revolution.

Tremble, hetero swine, when we appear before you without our masks.

limousine. To get revenge, Jackson planned to release digital pictures Sinclair had taken of the encounter on the Internet.

Paul Rothchild: Democrat National Committee Political Director found dead in a hotel room in Washington DC in 2003. A "friend and trusted advisor" to senatorial candidate Barack Obama. Dead of an *apparent suicide*.

Curtis "Pookie" Jackson: a Chicago drug dealer who was the subject of a police investigation in which he was suspected of funneling money to Obama's many various community projects. Killed in 1998 in an *apparent gang murder*.

Harvey Kenyon: the head of Obama's senatorial security team in Chicago. He was *gunned down in his car* at a deserted intersection outside of Grant Park in 2005. Kenyon's son said his father was building a dossier on Obama. He allegedly threatened to reveal this information. After he died, the files were mysteriously removed from his house.

Sheila Baugh: a Washington DC madam who died from a *gunshot wound*. Reported to have a black book of people containing names of influential people who visited the prostitutes in her brothel. One of those names was *allegedly* Barack Obama.

Keyshawn "Spoon" Calworth: was found dead of an *apparent heroin overdose* on 18 May 1997. He was reported to have ties to Rev. Jeremiah Wright.

Lawshawna Marti: 26 year old mother of five, a Cabrini Green resident with a history of substance abuse. Told two of her co-workers at the Blue Peppermint Gentleman's Club that she would have to quit work because she was pregnant again. Strongly implied that the "baby daddy" was Barack Obama. The next week, she was reported *missing*. No body was ever recovered, but Lawshana has not resurfaced since making those remarks.

Bill Ferguson: senior aide to Barack Obama. Found dead of an *apparent heart attack*.

Gandy Baugh: attorney for Obama friend *Antonin "Tony" Rezko* died by *falling out an eightieth story window* of the Hancock Tower, January 2003. His client was a convicted Chinese spy.

Donald Young and Larry Bland: two gay members of Trinity United Church of Christ who were both *murdered* in late 2007. No one has ever been arrested. Young's mother believes Donald was murdered because of what he knew about Obama.

Kam Kuwata: a Democrat strategist who witnessed Obama high on drugs backstage at the Democrat National Convention in Denver in 2008. Kuwata also uncovered a scheme in California involving laundering of campaign funds. Kuwata, in his 40s, was found dead of "*natural causes*." No autopsy was performed, although he had no known health problems.

Andrew Breitbart: Well-known and respected conservative who had planned to release videos - on 1 March 2012 - of Obama college escapades, died mysteriously on 1 March 2012, at the young age of 43. The death was claimed to be *allegedly* by *natural causes* even though an autopsy was not yet performed. He called *Sheriff Joe Arpaio* by phone 4-5 hours prior to his death. Breitbart was on a walk near his home in the evening when he collapsed and died as reported by an unidentified witness.

Steve Bridges: impersonator of Obama who Obama disliked immensely because he felt that Bridges offended him. Mysteriously, he appeared to have died of *natural causes* just two days after Andrew Breitbart's death *also* by natural causes. The autopsy had not yet been performed on Bridges, yet he died of natural causes.

Bill and Hillary Clinton's death trail is much longer (up to 50). None were also given any kind of thorough, objective scrutiny to pin the

Clinton's to any of them. Again, they were protected by the Democrats, Republicans, LSM, Snopes.com, and the Clinton administration. Nobody hanged the Clintons. Nobody will hang Obama or all of the criminals in the Obama administration. How long are we all going to tolerate these crimes and injustices? Probably forever.

\$\$\$

\$\$\$ For many years now, distrust and suspicion has been engendered due entirely to Barack Obama's secretiveness concerning his Selective Service registration, school records (including even his kindergarten record!), and medical records; his refusal to explain why his Social Security number has a Connecticut prefix; and his outright deception about his birth certificate - an image of which he made public on 27 April 2011, but which forensic experts have determined to be a fake.

Loretta Fuddy aka "Deliana" Fuddy, the Hawaii State health director who approved the *release of Obama's long-form birth certificate*, died mysteriously in small *plane crash* off the coast of Molokai: The Coroner's Inquest Report was signed the same day as Fuddy's autopsy, 13 December 2013, by Maui Police Detective **Jamie Winfrey**, also Deputy Coroner, and stated Fuddy suffered "Acute Cardiac Arrhythmia due to Hyperventilation" while floating in the water waiting for rescuers - she was the only fatality - but she had no record of heart problems and **Dr. Lindsey Harle**, the Maui Medical Examiner, says she didn't figure out that Fuddy died from cardiac arrhythmia until *several weeks to a month after the autopsy*. How did Winfrey know the final cause of death was going to be cardiac arrhythmia? **Clyde Kawasaki**, the pilot and **Phillip Hollstein**, a passenger, say that Fuddy exited the plane just fine and was floating in her life jacket - and that she had no obvious signs of injury. They were with her for the first twenty five minutes in the water and did not see her drowning or sinking or struggling. When the plane began to sink and the group drifted apart, Fuddy floated off with her co-worker and Deputy Director, **Keith Yamamoto** - the last person to see Fuddy alive and the only person to have witnessed her apparent death.

Obama's mother and Loretta Fuddy have one very strange factor in common... both have been directly linked to a cult which originated in Indonesia - and was founded by the Javanese Muslim **Muhammad (Bapak) Subuh Sumohadiwidjojo** (born 1901 in Java, Indonesia; died 1987). The small cult appears to have around 20,000 members worldwide - some speculating that Subud is Obama's real father. Fuddy was Chair of the Subud cult in America.

There is a theory that *sexually promiscuous Stanley Ann Dunham* traveled to Kenya in 1961 and it has been said that the reason for that trip was to give birth to her child and leave that child with the Obama family. But she have returned to Hawaii with her newborn son because the Kenyan Obama clan refused to take him - the Dunham family wanted an American-born son *anyway*. In 1965 or so... Dunham then traveled to Indonesia... with her son, where she became involved with the Subud cult. Dunham claims to have taught Barry that the Christian, Jewish, Muslim, Buddhist, Atheist, Hindu and other allegiances of faith were all the same - and not to commit to any particular belief system - *talk about having your cake and eating it to, eh!*

Martodihardjo **Lolo Soetoro** (born in Indonesia 1936, died 1987) was second husband of Ann Dunham (married on 15 March 1965) and stepfather to Barack Obama. According to Ancestry.com, through research in a combination of historical documents and yDNA analysis, **John Punch**, the first documented African slave in the American British colonies, has been documented as likely an eleventh great-grandfather of Obama through his mother, Ann Dunham, and her Bunch ancestors: With intermarriage, there were eventually both white and nigger lines of descent from Punch; some Bunch descendants were classified as White by the early 18th century; other Bunch descendants intermarried as *free people of color* - **Ralph Bunche**, *US minister to the United Nations, is thought by historian Paul Heinegg to have likely been a descendant of the Bunch family via South Carolina and Detroit (MI)*.

Addendum

President Barack Obama's mud-shark mother **Stanley Ann Dunham Soetoro** (born 1942) posed nude for racy and risqué photos (in the 50s and 60s) for her secret lover **communist pornographer**, poet and journalist **Frank Marshall Davis**, a perverted pedophilic Kenyan, who with his adulterous interracial wife **Helen Canfield** - who he had met in one of his classes and who was 18 years younger than he - together seduced the 13 year old White nigger-loving hippie teenslut. The photos appeared in vintage fetish and bondage magazines: *Bizarre Life*, *Exotique*, *Secret Pleasures*, and *Battling Babes*. *Since their original appearance in 2008, some have attempted to debunk the photos by identifying the model as Marcy Moore.*

In 1968, Greenleaf Classics in San Diego published a pornographic novel titled *Sex Rebel Black: Memoirs of a Gash Gourmet*, authored by "Bob Greene," a pen name Davis later admitted was his own. In the sex novel that Davis claimed was autobiographical, he describes a swinging lifestyle in which he and his wife had sex numerous times with an underage girl named "Anne," a figure very suggestive of Obama's mother.
